Greene County Department of Human Services

Home Delivered Meals Program

is always in need of volunteers to deliver meals. For a commitment of as little as **an hour a day** you can be a significant help to us and brighten the day for a group of homebound seniors. A **vehicle is necessary** for this activity. There is no age requirement. All volunteers are required to complete a volunteer application.

Please call **Ruth Pforte at 518-719-3555**
for more information or to volunteer.
Please help us help others.

Last year volunteers delivered **58,550 meals** in Greene County
