

Greene County Department of Human Services

Homebound Medical Transportation Program

is always in need of volunteers to drive homebound clients to their medical appointments. By volunteering you can help an older resident get to their healthcare appointments, which may allow them to continue to live independently.

A vehicle is required for this activity.

All volunteers are **required** to complete a volunteer application.

Mileage Reimbursement is available for this volunteer position.

For more information or to volunteer please call **Ruth Pforte at 518-719-3555.**
